## Summary

**Senior .NET Developer** with 9+ years of experience building high-performance web applications, including managing projects for telecommunications companies serving over 10 million users. Proficient in the .NET ecosystem (C#, ASP.NET Core, microservices) and experienced in integrating DevOps and cloud solutions, reducing deployment times by 30% and cutting system downtime by 20%. Focused on delivering scalable, reliable systems that enhance efficiency and user experience across large-scale environments.

## Skills

- .Net Core
- gRPC
- .Net Framework
- GraphQL
- Entity Framework
- Opentelemetry
- Dapper
- Serilog
- Microservices
- Hangfire
- Clean Code
- TDD
- DDD
- Testing
- Onion Arch
- SQL
- SOLID
- Oracle
- Design Patterns
- Redis
- Kafka
- MongoDB
- RabbitMQ
- Github
- Gitlab Runner/CI/CD
- OOP
- Agile
- Scrum
- Rest APIs
- C#
- English Fluent
- Docker
- IIS
- Typescript
- UI/UX
- JavaScript
- PWA
- Teamwork
- T-SQL

## Work Experience

### Senior .NET Developer/Blazor

*Mobile Communication Company of Iran (MCI) | 02/2024 – Present*

- Spearheaded the development of VOIP products using tools like FreeSWITCH and Kamailio, improving call quality and reducing latency by 15%
- Architected microservices-based web applications, adhering to clean architecture principles, enhancing system maintainability by 25%.
- Led the development of high-complexity web applications for a leading telecommunications company, serving over 10 million users

### Senior .NET Developer/Angular

*MiddleEast Bank | 06/2023 – 01/2024*

- Designed and implemented authentication and authorization mechanisms using OAuth and IdentityServer, enhancing security and reducing fraud attempts by 20%
- Delivered microservices-based applications for core banking solutions with .net 8/angular, improving transaction processing time by 35%.
- Conducted regular code reviews, providing feedback that increased code efficiency and reduced bugs by 15%.

### Senior .NET Developer/Razor/Backend Team Lead

*GladCherry Co | 03/2015 – 08/2021*

- As Technical Lead, guided the development of 10+ software products, achieving a 40% reduction in development time through Agile methodologies.
- Chaired the Board of GladCherry Co, managing project deliveries and client relations, resulting in a 25% increase in revenue.
- Promoted high coding standards through regular code reviews, increasing overall code quality and reducing defects by 30%.

## Projects

---

### Tajrish Hearing Aids Clinic

01/2023 - Present | Freelance

- A website and admin panel, increasing online appointment bookings by 20% through SEO optimization.
- Integrated ASP.NET MVC, ASP.NET Razor, and Microsoft SQL Server, ensuring system reliability and reducing downtime by 15%.

### Banket

01/2023 - Aug 2023 | Associated with Middle East Bank (MEBank)

- Implemented microservices using .NET Core, Oracle Database, and Apache Kafka, adhering to Clean Architecture, boosting system scalability by 30%.
- Contributed to the development of a fintech super app, improving financial transactions for 50,000+ users.
- Managed the project using tools like Bitbucket and Jenkins to ensure seamless integration and deployment.

### Goldenpuzzle

05/2022- Present | Freelance

- Built an e-commerce platform for industrial products, increasing customer engagement by 40%
- Utilized ASP.NET, ASP.NET Razor, Microsoft SQL Server, and Entity Framework to create an intuitive and secure user experience.

### Ziber

10/2021- Present | Associated with GladCherry Software Co

- Launched an online reservation platform for hair salons, serving 500+ users monthly, and streamlined scheduling processes by 25%.
- Employed ASP.NET MVC, C#, and Microsoft SQL Server, ensuring secure transactions and improving appointment management efficiency by 30%.

### Sandbad

01/2021 - Jan 2022 | Freelance

- An intelligent transportation system (ITS) offering intra-city transportation, facilitating 10,000+ monthly rides..
- Leveraged Progressive Web Applications (PWAs) with Nuxt.js and Vue.js, improving application responsiveness and reducing load time by 20%.

### Iranshemsh

01/2020 - Jan 2021 | Associated with GladCherry Software Co

- Created an online platform for 24-karat gold ingot sales, increasing website traffic by 50%
- Overhauled the website with ASP.NET technologies, reducing downtime by 30% and increasing operational efficiency

### Taksoo

01/2019 - Jan 2020 | Associated with GladCherry Software Co

- Developed an e-commerce platform and network marketing solution, increasing user engagement by 35%.
- Integrated PWAs, Figma, Adobe XD, and .NET Core, providing seamless mobile and web experiences

## Honors & Awards

---

### Domestic Awards

05/2021    1st Place    Recognized as the top IT company at the "Young Entrepreneurs Conference"

## Education

---

Master of Software Engineering | Qazvin Parsian University | 2015 - 2018

Bachelor of Software Engineering | University of Science and Culture | 2011 – 2015
